Forecast For Dumfries, Galloway, Lothian & Borders
Issued by Met Office Aberdeen
at 0400 on Saturday 11 Dec 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Wet and windy.

Today:
Cloudy and overcast with outbreaks of rain, heavy at times, although a dry and chilly start in the east. The southerly winds will also freshen, becoming strong around the coast. Turning milder. Maximum temperature 9 deg C (48 deg F).

Tonight:
Any rain soon clearing east this evening, leaving much of the night dry with well broken cloud. A touch of frost possible in sheltered rural spots as winds ease. Minimum temperature 1 deg C (34 deg F).

Sunday:
A mainly dry morning, but patchy rain soon developing around the Solway Firth, the rain becoming more widespread in the afternoon. Turning very windy in the evening with blustery showers. Maximum temperature 10 deg C (50 deg F).

Outlook for Monday to Wednesday:
Winds soon easing on Monday, then mainly dry and bright. Windy and mild with occasional rain on Tuesday. Bright and breezy with the odd shower possible on Wednesday.
